The 2016-17 season was a banner year for our organization, both in the community and from a historical standpoint. Giving back is a fabric of this team’s culture and remains our highest priority. So, to celebrate the LA Kings 50th Anniversary, we conceived the Forever 50 charitable campaign to leave a legacy of positive change in our city.

With support from our fans, sponsors, partners and players, Kings Care Foundation had a record-breaking year of giving. As an organization, we invested more money, time and resources than ever before. The depth of these efforts can be seen in the pages that follow.

On behalf of the entire LA Kings organization, thank you for your support both on and off the ice. We look forward to an exciting 2017-18 season.

I SPEAK FOR THE ENTIRE TEAM WHEN I SAY THAT WE LOVE OUR FANS AND LOVE THE CITY OF LA. THOSE MOMENTS INTERACTING WITH FANS, WHETHER IT’S VISITING CHLA, TEACHING A YOUNG HOCKEY PLAYER OR SIGNING AN AUTOGRAPH AT TIP-A-KING, ARE ALWAYS HIGHLIGHTS OF OURS THROUGHOUT THE YEAR.

Luc Robitaille
President
The LA Kings are proud to be an integral part of the Los Angeles community both on and off the ice. 2017 NHL ALL-STAR LEGACY PROJECTS
“Well, we finished our “Blood and Pucks” campaign with Alec! What a wonderful ambassador for the Kings!… He was such a hit that I personally received calls from people who found his CHLA schedule on your website and they wanted my assurance that it was true that he would really be here. Alec has a true understanding of the need for the blood donations and their life-saving ability; he conveyed that to donors along with his appreciation for their time spent helping our patients. He was very engaging with the public… I would see him in the lobby with the Ice Crew and Bailey talking with all kinds of people – the more the merrier. He also came into the center – after he filled it up with donors – to talk to everyone in the act of donating. He did all this before being the last donor of the day for the Kings time here at CHLA. We will have to use this as a blueprint for the future.”

- Aileen Jenkins, Blood Donor Center Supervisor, Children’s Hospital Los Angeles

“THANK YOU for ALL that you did for Dream Kid Noah this past weekend! Wow, you guys know how to roll out the red carpet! It was an opportunity of a lifetime and one that has changed his life already. Thank you for showing him that no matter what he is faced with, he can continue to dream and see that they do come true.”

- Elizabeth Lindsey, Executive Director, Dream on 3

“One of our camp families is staying at the Ronald McDonald House this week as their little one gets surgery to remove tumors and his 4-year-old sister is, as you can imagine, feeling a little unsettled and scared. She came into my office this morning and saw the sparkly pink and black witch costume, asked if she could have it, to which I of course said yes. She wrapped her arms around it and said – this made me so happy! Her mom was thrilled that it’s one less costume she has to buy and sends her thank you to you too! A new costume is a small distraction for what will be a stressful time for Savanah as she’s worried about her brother but even a small distraction is helpful so thank you so much! Thank you for our incredible seats to the exciting game! We’re so grateful for all you do for Camp Ronald McDonald for Good Times and so many other deserving charities in our community.”

- Nicole Ring, Events Manager, Camp Ronald McDonald For Good Times
