LA KINGS
IN THE COMMUNITY
MESSAGE FROM ANZE KOPITAR

For longer than I have played for the LA Kings, the Kings Care Foundation has been in our community helping children and families. Along with my teammates, I look forward to opportunities to support the great work of our team’s charity.

Some of my favorite memories over my career are from time spent in the community. When I look back at the 2018-19 season I feel lucky to have been able to visit with patients at Children’s Hospital Los Angeles, meet our incredibly loyal fans at Kings events and sponsor tickets donations for families and military. But two things I was involved with stand out in particular:

1. I spent a couple awesome days fulfilling Elliot and Aiden’s wishes to meet me through the Make-A-Wish Foundation. I even helped to sign Aiden to an NHL contract with our GM, Rob Blake, officially making him my teammate for a day.

2. My wife and I became involved with Covenant House through the Kings homelessness initiatives, which was humbling and eye opening. Unfortunately, homelessness in LA has been a rising problem and we’re looking forward to doing more to help. No child should be forced to sleep on the streets.

I feel that it is a privilege to be able to support Kings Care Foundation and it is evident that you - our fans and partners - feel the same. Kings Care Foundation impressively raised $2 million during the 2018-19 season and this money has already been reinvested in programs and services for Los Angelenos. In the pages that follow you will see just how far your support has gone in making a difference.

Thank you for standing by us this season both on and off the ice.
OUR MISSION

The mission of the Kings Care Foundation is to support children, military and underserved communities in Los Angeles by dedicating financial and in-kind resources to services and programs. To that end, the LA Kings Hockey Club reinvests in LA-based non-profits with the following shared goals:

1. HEALTH
Support institutions, research and programs that ensure the health of vulnerable individuals

2. EDUCATION
Emphasize literacy and learning through practical applications of Science, Technology, Math and Engineering

3. WELLNESS
Encourage physical fitness and the values that come along with sport

4. SUSTAINABILITY
Prioritize sustainable business practices internally and cultivate eco-leadership

5. INCLUSION
Foster environments that welcome individuals of all backgrounds and abilities

$2 MILLION in monetary and in-kind support was provided during the 2018-19 season to advance the LA Kings charitable mission.

MESSAGES FROM THE COMMUNITY

“Thank you so much for being such great hosts for my family and I during the LA Kings game Oct 20, 2018. Being recognized as Military Hero of the Game was a very humbling and moving experience for all of us. You guys went above and beyond to ensure we had a great time at the game. From the moment we walked into STAPLES Center, to the amazing Lexus Club brunch that we thoroughly enjoyed, being on the ice during the National Anthem, and finally being recognized during the 1st Period of the game, it was all World Class. Thank you so much for your hospitality and welcoming us as honored guests.”

“Thank you and your staff for all your hard work and support of Children’s Hospital Los Angeles. We value our ongoing partnership with the LA Kings and your backing has truly made a huge impact in our effort to increase our blood collection. The January blood drives at the LA Kings games were a great success and the visit from the Kings’ players to the Hospital was such a great way to kick off the year for our patients and blood donors.”

“On behalf of our entire team here at the Children’s Burn Foundation I would like to thank you all so much for choosing us to be a part of your wonderful toy drive. We received over 100 toys this year and could not thank you enough. We are preparing to drop off toys at all of our burn centers in the Southern California area for their annual holiday parties. Without your support, this would not be possible.”
